Koeze All-Natural Peanut Butter Since 1925!

In 1925, Albertus Koeze began crafting Cream-Nut peanut butter using just two simple ingredients—fresh-roasted Virginia peanuts and sea salt. One hundred years later, we're still making it the same way. That kind of longevity is rare, and it speaks volumes: about our commitment to quality, our belief in doing things the right way, and the generations of customers who've brought Cream-Nut peanut butter into their homes. As we celebrate a century of hand-crafted excellence, we're proud to honor the legacy Sibbele Koeze began in 1910—and grateful to share it with you, our customers, who made the journey possible.
