Koeze All-Natural Peanut Butter Since 1925!

In 1925, Albertus Koeze began crafting Cream-Nut peanut butter using just two simple ingredients—fresh-roasted Virginia peanuts and sea salt. One hundred years later, we're still making it the same way. That kind of longevity is rare, and it speaks volumes about our commitment to quality, and our belief in doing things the right way.

Special Message from the Koeze Family

Scott and Ruth Koeze started fundraising with Koeze products over 50 years ago supporting the Mary Free Bed Rehabilitation Hospital in Grand Rapids, Michigan. Since that time it has been our privilege to work with community groups to help raise funds to support their charitable activities.

As we wrap up the year, we would like to encourage you to support your community as generously as you are able. The team at Koeze would be honored to help you do that.
